

What some believe

“Trust in the Lord with all your heart; do not depend on your own understanding.”

PROVERBS 3:5 (NEW LIVING TRANSLATION 2007)

What humanists think

“There’s all the difference in the world between a belief that one is prepared to defend by quoting **evidence** and **logic** and a belief that is supported by nothing more than tradition, authority, or revelation. “

RICHARD DAWKINS, AUTHOR AND 1996 HUMANIST OF THE YEAR (*HUMANIST* JAN/FEB 1997)
